Welcome to Our Newsletter!

We have used our Newsletter to share dental health news and news of our practice for over 30 years. We are using Newsletter #48 to focus on the latest news from our practice. Many of our past Newsletters and much more can be found on our website at barthanddanner.com

Construction Update

The new eight story parking garage is now visible at our neighbor, **Jefferson Washington Township Hospital** (formerly Kennedy Hospital). This project is to be completed by Spring 2019, followed by a new patient tower and new main entrance from Egg Harbor Road to be completed Spring 2021. We are looking forward to finally having a long-term improvement in the parking situation at the healthcare complex.

Smile: Another Computer Upgrade

Our newest computer system has expanded our front office and dental record keeping abilities as well as adding increased security for your personal information. We appreciate your patience as we take a few minutes to confirm that all of your information is accurate and that we have an updated photo of you.

Professional News

Dr. Danner and Dr. Barth have been recognized numerous times in recent years as **Top Dentists**. Most recently, Dr. Danner was listed in the June issue of **South Jersey Magazine**.

A Note from Dr. Barth

Over the past six months as my patients have come in for their regular checkups and cleanings, I have mentioned that I would be retiring before they returned for their next regular checkup. Many folks had already read about my planned retirement in our last newsletter and were ready with a wide range of comments such as: “No! You can’t retire!” “Could you just practice one day a week, like, forever?” “Put a chair in your garage and I will come to your house.” “You look too young to retire” (I like that one!). And of course, many “Best Wishes,” “Good Luck,” and “Thank you.”

In fact, I should be the one saying **“Thank you!”** to all the wonderful patients and families that have supported me over the past 35 years by recommending us and helping our practice grow. Over the 40 years of my career in dentistry, I have met many wonderful people and worked with many outstanding staff. I am very grateful for the career I have had.

Retiring is made easier by knowing that our patients will continue to receive excellent care from Dr. Danner and our staff. (Dr Danner will continue to be my dentist!)

Thank you and best regards,

George A. Barth, DMD

A Note from Dr. Danner

Over the many years that Dr. Barth and I have worked together, I have had the opportunity to meet many of his patients. I look forward to seeing those that I have not met as yet. As you can see from the new office hours listed in this newsletter, we will continue to offer convenient morning, afternoon and evening hours and will always welcome new patients.

Even though we will all be adjusting to the changes at our office, we will never change our commitment to providing the best dental care to you and your family.

Looking forward to seeing you soon,

Mark. J. Danner, DMD
